

Miller, Diane M. (CDC/NIOSH/EID)

From: Debra Hahn [debbie.hahn@cox.net]
Sent: Friday, February 04, 2011 8:07 PM
To: NIOSH Docket Office (CDC)
Subject: 082-A - Chemical, Biological, Radiological and Nuclear (CBRN) Combination Respirator Unit (CRU)

I support legal scientific investigation and research about this standard. It is good to be prepared for potential terror threats.
