ATTN: Dr. Alfred A. Amendola, Deputy Director

Dear Dr. Amendola:

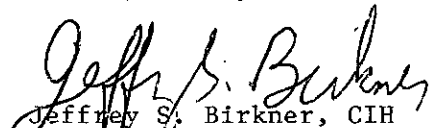

Moldex/Metric is extremely interested in the proceedings that will take place on January 9-11, 1991 on the Assessment of Performance Levels for Industrial Respirators.

We therefore respectfully request that a space be reserved for one Moldex representative to attend this Technical Conference. We do not wish to make a presentation, but certainly wish to monitor the proceedings.

Thank you in advance for your consideration.

Sincerely,

MOLDEX/METRIC, INC.
