LEARNING SESSION CHEAT SHEET

Short on time? Focus on modules 1, 3, 6, and 7.

For each question, please circle the number that best describes how much you agree or disagree with each statement. Your feedback will help us improve our training program.

Module 1: Welcome

- Introductions
- Play "The Web" icebreaker (for group sessions)
- Show Flip Chart slide 1: What We're Talking About Today

Module 2: Body Basics

- Show Flip Chart slide 2: What Is Cervical Cancer?
- Show Flip Chart slides 3 and 4: The Female Reproductive System (skip slide 4 if short on time)

Module 3: Cervical Cancer 101

- Show Flip Chart slide 5: What Have You Heard About Cervical Cancer?
Prompt for sharing around myths and misconceptions
- Show Flip Chart slide 6: What Causes Cervical Cancer?
- Show Flip Chart slide 7: Who Can Develop Cervical Cancer?
- Show Flip Chart slide 8: Why Do You Need to Get Screened for Cervical Cancer?
If available, share rates of cervical cancer in African American women in your state, county, or community
- Show Flip Chart slides 9, 10, and 11: How Do You Get Screened for Cervical Cancer? and Pelvic Exam
Prompt for sharing experiences about pelvic exam and/or Pap or HPV test
- Show Flip Chart slide 12: How Should You Prepare for Your Screening Test? (skip if short on time)
- Show Flip Chart slide 13: How Often Should You Get Screened for Cervical Cancer?
- Show Flip Chart slide 14: What Do Your Test Results Mean?
