Part A. INTRODUCTION

I would like to begin with a brief review of the background for this study.

INSTRUCTIONS

Provide the administrator or other hospital representative with a brief introduction to the study and a general overview of procedures.

Cover the following points –

- (1)** NHAMCS is an extension of the National Ambulatory Medical Care Survey (NAMCS). The NAMCS collects data on visits to physicians in office-based practices
- (2)** NAMCS and NHAMCS are sponsored by the National Center for Health Statistics of the Centers for Disease Control and Prevention
- (3)** NAMCS and NHAMCS data are used extensively by health services planners, researchers and educators
- (4)** Patient visits to hospital emergency and outpatient departments account for almost 200 million visits annually
- (5)** Census Bureau is acting as the data collection agent for the study
- (6)** The study is authorized by Title 42, U.S. Code, Section 242k
- (7)** Participation is voluntary
- (8)** All information, including the name of hospital, is held in strict confidence
- (9)** NO patients' names or identifiers are collected
- (10)** The study was approved by the NCHS Research Ethics Review Board
- (11)** Data from the study will be used only in statistical summaries
- (12)** NHAMCS covers hospital facilities on and off hospital grounds
- (13)** NHAMCS covers care provided by or under the direct supervision of a physician
- (14)** NHAMCS excludes office-based physicians (these are covered under the NAMCS)
- (15)** NHAMCS excludes visits to clinics where only ancillary services are provided, e.g., X-ray, laboratories, and pharmacies, and where physician services are not provided, e.g., physical, speech, and occupational therapy, and dental and podiatry clinics. Ambulatory surgery centers and same day surgery clinics are also excluded.
- (16)** Only a 4-week data collection period
- (17)** On average, sample of approximately 100 ED and 150 to 200 OPD visits per hospital

SHOW PATIENT RECORD FORMS

- (18)** Form takes only 6 minutes to complete
- (19)** Forms to be completed by hospital staff at their convenience
