RECALL

Recall on Cinnamon Applesauce Pouches That Have High Lead and Chromium Levels

Recalled Products

- WanaBana brand apple cinnamon fruit purée pouches
- Schnucks brand cinnamon-flavored applesauce pouches
- Weis brand cinnamon applesauce pouches

Recommendations

1. Do not buy, eat, sell, or serve recalled cinnamon applesauce pouch products because they may contain lead and chromium.
2. Parents and caregivers of children who may have eaten recalled products should contact the child's healthcare provider about getting a blood test for lead and further evaluation.
