|   |                            |
|---|----------------------------|
| 1 | Industry                   |
| 3 | Manufacturer               |
|   | Labor                      |
|   | Academia                   |
| 1 | Government                 |
| 1 | Other (Specify) – Test Lab |
| 1 | Other                      |

2. The purpose of this meeting was to provide an opportunity for an exchange of information between the Agency, manufacturers, industry, labor, and others with an interest in respiratory protection.

Did the meeting meet this objective? Yes (7) No \_\_\_\_

Comments:

- a. Thanks for a great meeting.
- b. This was a good start, NIOSH is on the right track with TIL.
- c. Would have liked to have had the TIL TES concept which NIOSH was/is contemplating on the web prior to the meeting to provide time to adequately prepare comment.

3. Which part of the meeting did you find to be most beneficial?

- a. All equal.
- b. Afternoon Panel Discussion.
- c. Sizing.

d. Union Representatives.

e. All.

4. Which part of the meeting did you find to be least beneficial?

a. N/A.

b. Labor Organization comments – expanding scope of TIL project beyond reason.

c. A few of the comments.

d. None.

5. Was there certain information you would have liked to have received or expected to hear speakers address that was not included in any of the presentations?

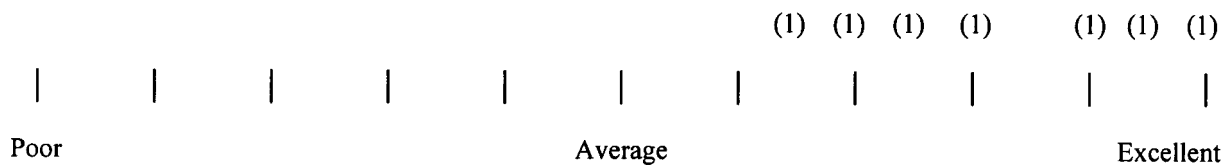

a. OSHA should speak.

b. Sizing.

c. From Respirator manufacturers.

d. N/A.

6. Using the scale below, please rate the organization, competence, and helpfulness of the event staff.

7. If you have any additional comments or recommendations, please list them below.
