

## PREVENTING SPREAD OF INFECTIONS IN K-12 SCHOOLS

## Action Planning Worksheet

## What actions will you take?

**Instructions:** During this workshop, we will pause at key points in each section to ask you to consider the following question:

*How will you apply your learning to **support infectious disease preparedness or prevention** in your classroom, school, or district?*

The actions you plan to take can range from big or small steps you can do after this workshop to improve preparedness or prevention in your classroom, school, or district. You can record your ideas in the spaces provided. At the end of the workshop, you will have the opportunity to **share your ideas** with the group.
