Special Skills and Qualifications

Summarize special skills and qualifications you have acquired from school, employment, volunteer work, or extra-curricular activities, including hobbies and sports. Please limit your response to 50 words or less.

--

Disclaimer

The Student Worksite Experience Program is available to current students who are attending school legally in the US (age 16+). Please complete the Volunteer Interest Form and provide your resume. Your form and resume will be included in our database as a courtesy and in no way implies a guarantee of further action or that a hiring official will contact you. Hiring officials will have access to your record and MAY choose to contact you to discuss volunteer opportunities for which you have indicated interest.

We will base your final eligibility and qualifications on specific criteria for position(s) to which you are matched. If selected to participate, you must pass a security background investigation. This is a volunteer interest referral system and does not replace the federal hiring process. We strongly recommend that you continue your volunteer search and/or job search and apply for positions competitively at [USAJOBS](#). Learn more about [applying for federal employment](#) and [seeking student opportunities on USAJOBS](#).

Please email your Volunteer Interest Form and Resume to Human Resources Customer Service at SROCHelpDesk@hhs.gov
