FIGURE OUT WHAT'S UP WITH TESS

What's up with Tess?

Homecoming is almost here. It's Tess's favorite time of year. But she's acting...different. And you and your friends are the only ones who know her well enough to help.

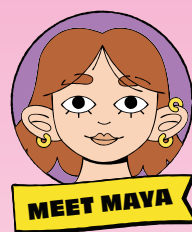

Get to the bottom of it in this interactive novel.

The mystery. Once an open book, now she's closed off and distant. What is she hiding?

The know-it-all. He says what everyone thinks, even when he probably shouldn't.

The peacemaker. Mature, empathetic, and always the voice of reason.
