Note: The HICPAC meeting to be convened on November 14-15, 2024, will review the progress of ongoing workgroups and vote on responses to CDC questions about Part 1 of the update to the Isolation Precautions Guideline and the respiratory virus section of the Infection Control in Healthcare Personnel Guideline.

¶ Denotes sessions for which a vote is anticipated.

*Workgroups may present draft versions of proposed changes to the HICPAC committee for vote. Members weigh public discussion and the presented data. If the membership votes to approve the draft, it will then be submitted to CDC for review. If approved by CDC, the draft will be posted to the Federal Register for 60 days for public comment; if not approved by CDC, the draft will be returned to HICPAC with comments for consideration. Click [here](#) for more information on the HICPAC guideline development process.
