

Tune into Safe Healthcare: Implementation of Priority Core Elements in Critical Access Hospitals

WD4912

PROGRAM DESCRIPTION: This enduring activity is designed to increase knowledge and change competency of testing and treatment guidance, and infection prevention practices strategies.

OBJECTIVES:

At the conclusion of the session, the participant should be able to:

1. Describe infection control techniques that reduce the risk and spread of healthcare-associated infections (HAI).
2. Identify unsafe practices that place patients at risk for HAIs and other respiratory viruses.
3. Describe best practices for infection control and prevention in daily practice in healthcare settings.
4. Apply standards, guidelines, best practices, and established processes related to safe and effective medication use.
5. Describe the importance of interprofessional collaboration in the healthcare setting in support of HAI control.

ORIGINATION DATE: December 23, 2024

EXPIRATION DATE: December 23, 2026

URL: [Tune in to Safe Healthcare: A CDC Webinar Series | Infection Control | CDC](#)

HARDWARE/SOFTWARE: Computer Hardware; Internet Connection; Browser

MATERIALS: None

TARGET AUDIENCE: Physicians, Registered Nurses, Administrators

PREREQUISITES: General awareness of Infection Prevention.

FORMAT: This activity is **Web on Demand**.

ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **1.0** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **1.0** nursing contact hours.

CPE: The Centers for Disease Control and Prevention designated this (**Knowledge-based or Application-based**) event for pharmacists to receive **1.0** CEUs in pharmacy education. The Universal Activity Number is (**JA4008229-0000-24-095-H05-P**).

After credit is claimed, an unofficial statement of credit is immediately available on Training and Continuing Education Online (TCEO). Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **1.0** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **1.0**. Continuing Competency credits available are **1.0**. CDC provider number **98614**.

AAVSB/RACE: This program was reviewed and approved by AAVSB RACE program for (**insert #**) hours of continuing education. Participants should be aware that some boards have limitations on the number of hours accepted in certain categories or restrictions on certain methods of delivery of continuing education. Please contact the AAVSB RACE program if you have any comments or concerns regarding this program's validity or relevancy to the veterinary profession.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **1.0** CPH recertification credits for this program.

DISCLOSURE: *In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.*

CDC, our planners, and presenters wish to disclose they have no financial relationship(s) with ineligible companies with the exception of Dr. Trevor Van Schooneveld and he wishes to disclose that within the last 24 months, he has provided research funding and consulting for the following three companies: Insmed, Ferring, and BioMerieux.

All relevant financial relationships listed for these individuals have been mitigated.

Mitigation steps for *presenter and others*:

- Peer review of content by persons without relevant financial relationships
- Attest those clinical recommendations are evidence-based and free of commercial bias (e.g., peer-reviewed literature or adhering to evidence-based practice guidelines)

He has attested that any provided clinical recommendations are evidence-based and free of commercial bias (e.g., peer-reviewed literature or adhering to evidence-based practice guidelines).

Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use. CDC did not accept financial or in-kind support from any ineligible company for this continuing education activity.
