Open Forum Rules of Engagement

1. Be respectful of other people's time and space. Please remain on mute until it is your turn to speak.

2. Use the "Raise Hand" function if you have a question or comment. The team will work to engage everyone in the order hands were raised.

3. Come and go as you please! We will be live from 12pm EST to 1pm EST.

4. Email onelab@cdc.gov with questions or technical issues.

For Consideration:

- What training challenges did your lab face last year?
- What lessons did you learn this year?
- What were the most helpful resources you encountered or used this year?
- What modalities were most helpful for your learners?
- What are you planning for the coming year in terms of training and education for your teams?
- What education needs are you anticipating your staff encountering?
- What health equity and workplace DEIA concerns or needs have you encountered?

Upcoming OneLab Network Events

Join us on **February 27, 2023, at 12 PM EST** for our next OneLab network event.

The U.S. Department of Transportation will provide helpful information about creating and implementing a laboratory hazmat plan.
