NOTES: SE is standard error. Data are for the civilian noninstitutionalized population. Based on a parent or knowledgeable adult responding yes to both questions, “Has a doctor or other health professional ever told you that your child had asthma?” and “Does your child still have asthma?” Children of Hispanic origin may be of any race. Race-specific estimates are tabulated according to the 1997 “Revisions to the Standards for the Classification of Federal Data on Race and Ethnicity.” See [Appendix II](#), Hispanic origin; Race.
