*	Variables flagged with * have had some disclosure risk reduction (DRR) action taken for inclusion on the public-use files. Those that have yellow highlighting with the * are new DRR actions taken for 2017-2019. For further details on these modified variables, as well as variables suppressed altogether for public use, please see Appendix 7.

For further information on Variable Type, please see "Description of Codebooks" (Elements of the Codebook subsection) in the main text of the User's Guide. Variable labels for "Raw" variables based on asked questions start with the question number. Further details on each raw or computed variable can be found in the codebook entry for the variable or in the questionnaires. Further details on each recode can be found in the codebook entry for the variable or in the questionnaires.
