

**2022-2023 National Survey of Family Growth (NSFG)  
List of Restricted-Use Analytic Variables for Female Pregnancy File**

Most of these variables are included on the NSFG Public-Use File in some form – e.g., with fewer categories, with some values top- or bottom-coded, with year only, or with new variables to summarize information from several variables. Those measures were taken to minimize the risk of inadvertent disclosure, but the full detail of these analytic variables would be accessible through the NCHS Research Data Center. The variables beginning with "IN" are available on the Public-Use Files with the same variable name, minus the "IN."

<b>Variable Name</b>	<b>Section</b>	<b>Variable Label</b>	<b>Variable Type</b>
PREGOUT1-5	B	BB-2 How this pregnancy ended (1st - 5th mentions)	raw
INAGEFATHER	B	BC-9 Father's age when this pregnancy ended or baby/babies born	raw
DK1GEST	B	BC-3 DK followup for gestational length of a stillbirth	raw
DK2GEST	B	BC-3 DK followup for gestational length of a livebirth	raw
DK3GEST	B	BC-5 DK followup for gestational length of a miscarr/abor/ectop	raw
SEXMULT	B	BB-6b Sex of babies born from this pregnancy (if multiple birth)	raw
INKIDAGE	B	Current age (in months) of child(ren) from this pregnancy (computed in FC B-28)	computed
LIVEHERE	B	BC-16 Whether child lives with R (if LE age 18 and not reported in HH roster)	raw
ALIVENOW	B	BC-17 Whether child is still alive (if LIVEHERE NE Yes)	raw
AGEDIED	B	BC-18 Age when this child died	raw
WHEREHOW	B	BC-19 Where this child lives now	raw
AGELEFT	B	BC-20 Age when this child last lived with R	raw
CMINTSTR	E	CM date for beginning of pregnancy interval	computed
CMINTFIN	E	CM date of ending of pregnancy interval	computed
CMINTSTROP	E	Open interval: CM of date of beginning	computed
CMINTFINOP	E	Open interval: CM of date of end (month of interview)	computed
CMINTSTRCR	E	Currently pregnant: CM of date of beginning of interval	computed
CMINTFINCR	E	Currently pregnant: CM of date of end of interval (month of interview)	computed
PRGLNGTH	R	Duration of completed pregnancy in weeks	recode
PRGLNGTH_I	R	PRGLNGTH imputation flag	imputation flag
INDATEND	R	CM date pregnancy ended	recode
INDATECON	R	CM date of conception	recode
INBFEEWKS	R	Duration of breastfeeding in weeks	recode
