NOTES:

*** Survey not included in linkage. Linked administrative data not available.

* The coverage period for the Linked CMS Medicare data spans different years depending on the specific CMS Medicare data file and/or NCHS survey. Please see the Data Linkage website for more detailed information regarding years of Medicare coverage: <https://www.cdc.gov/nchs/linked-data/medicare/index.html>

† 1999-2014 linked NCHS-CMS Medicaid data (in MAX format) are available from a previous linkage for some of the surveys listed. See the Data Linkage website for more information: https://archive.cdc.gov/www_cdc_gov/nchs/data-linkage/max-linkage.htm

‡ Linked ESRD data contain information since ESRD onset, which may be prior to survey participation, and as early as 1974

** The beginning year of the HUD data depends on the specific HUD Administrative File: Administrative records for transactions for the Multifamily (MF) program are available beginning June 30, 1996; administrative records for transactions for the Public Housing (PH) and Housing Choice Voucher (HCV) programs are available beginning December 1, 1999.

*** Linked VA data contain information on details of military service, which may have been prior to survey participation. The VA data are through fiscal year 2020. The benefit program utilization variables are limited to fiscal years 2005 through 2020 for NHIS and NHANES and fiscal years 2015 through 2018 for NHCS.
