Occupational Safety and Health

Effective Immediately: Voluntary Rescission of Four Avon-International Safety Instruments, Inc. Approvals

The National Institute for Occupational Safety and Health (NIOSH) has honored a request by **Avon-International Safety Instruments, Inc.** to rescind four approvals.

As of March 28, 2025, any respirator marked with a NIOSH approval label and approval number listed in the table below is no longer NIOSH approved. The NIOSH [Certified Equipment List](#) no longer includes these approval numbers:

Approval Number	Product Line or Model
TC-13F-0577	360017 ST53 SCBA
TC-14G-0301	RDV Z Full Facepiece with Canister
TC-84A-4340	Airswitch Full Facepiece Air Purifying Respirator
TC-23C-2719	STPAPR Full Facepiece Power Air Purifying Respirator with Combination Cartridges

Due to the voluntary rescission of these NIOSH approvals, **respirators bearing these NIOSH approval numbers may no longer be used, manufactured, assembled, sold, or distributed.**

Please reach out to **Avon-International Safety Instruments, Inc.** The [Certified Equipment List](#) can be used to locate other NIOSH Approved® respirators.

NIOSH Approved® is a certification mark of the U.S. Department of Health and Human Services (HHS) registered in the United States and several international jurisdictions
