Safety and Health

## Effective Immediately: Voluntary Rescission of four SAS Safety Corporation Approvals

The National Institute for Occupational Safety and Health (NIOSH) has honored a request by SAS Safety Corporation to **voluntarily rescind four NIOSH respirator approvals issued to SAS Safety Corporation.**

As of June 5, 2024, **any respirator marked with a NIOSH approval label and approval number listed in the table below is no longer NIOSH approved.** The NIOSH [Certified Equipment List](#) no longer includes these approval numbers:

Approval Number	Product Line or Model
84A-7858	Bandit 8600 Series Half Mask Air Purifying Respirator with Chemical Cartridge and Filter
84A-8079	Model 311 Half Mask Air Purifying Respirator with Filter
84A-8113	Model BreatheMate Half Mask Air Purifying Respirator with Filter
84A-8149	Model 312 Full Facepiece Air Purifying Respirator with Chemical Cartridges and Filter

Due to the voluntary rescission of these NIOSH approvals, **respirators bearing these NIOSH approval numbers may no longer be used, manufactured, assembled, sold, or distributed.**

Please reach out to SAS Safety Corporation for additional details related to their decision to voluntarily rescind five approvals issued to SAS Safety Corporation identified in this notice. The [Certified Equipment List](#) can be used to locate other NIOSH Approved® respirators.

NIOSH Approved® is a certification mark of the U.S. Department of Health and Human Services (HHS) registered in the United States and several international jurisdictions
