POISON

AT POI

FENTANYL

LEAD

LAUN

PESTICIDES

EMBALMING

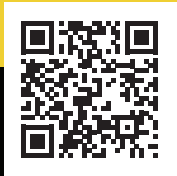

NDRY DETERGENT

POWDER

EMBALMING FLAMMONIA

Drugs don't come with an ingredients list.

Many contain deadly doses of fentanyl—a synthetic opioid that's up to 50 times stronger than heroin and 100 times stronger than morphine. The tiniest amount is all it takes to cause a fatal overdose, and you wouldn't be able to see it, smell it, or taste it.

Learn more about the dangers of fentanyl and ways to protect yourself at [CDC.GOV/STOPOVERDOSE/FENTANYL](https://www.cdc.gov/stooverdose/fentanyl).
